Career Objective

Passionate web developer specializing in building clean, responsive, and intuitive user interfaces using **React.js** and **Tailwind CSS**. Currently expanding **full-stack** capabilities with **Django**, **Django REST Framework**, **ORM**, and **PostgreSQL** to deliver robust, scalable web applications. Strong focus on **optimized UI/UX**, **component-based architecture**, **API integration**, and writing clean, maintainable code. Solved **150+ problems** across various platforms and hold a **993 CodeChef rating**, strengthening my logical thinking and debugging skills. Committed to creating user-focused, real-world solutions using modern development best practices.

Education

BSc. in Computer Science and Engineering | CGPA: 3.77   May 2022 – Present (8th semester)
Uttara University

Projects

VaxChain: Live-Link | Github-Client | Github-Server
A full-stack vaccination campaign management platform.
Tech Stack: React.js, Tailwind CSS, Django Rest Framework, PostgreSQL, JWT, SSLCommerz, Rest APIs.
- Developed secure Role-based dashboard for doctors and patients.
- Implemented real-time campaign booking with schedule selection and integrated online payments using **SSLCommerz** payment gateway.
- Added campaign filtering by status (*active, upcoming, completed*) to improve usability and navigation.
- Implemented keyword-based search to enhance campaign discovery and user experience.

Evora: Live-Link | Github
An event management platform
Tech Stack: Tailwind CSS, Django (MVT), PostgreSQL, Django Auth
- Role-based dashboards tailored for users, organizer and admin.
- Developed CRUD functionality for events, users, and groups with secure authentication.
- Streamlined event booking system for quick and easy reservations.

Skills

Programming Languages: Python, JavaScript, C++
Frameworks: Django, React.js, Tailwind CSS, Bootstrap
Database & Tools: Git & GitHub, PostgreSQL, SQL, Xampp
Deployment: Vercel, Netlify, Render
Soft Skill: Leadership, Communication, Team work·

Achievements

- Completed CS Fundamental & Software development course: **Certificate**
- Received the **Dean's Award** for outstanding academic performance. **Drive-Link**
- Solved **150+** problems on various online judges.
